TECHNICAL DATA SHEET

DECEMBER 2016

PRODUCT NAME

CORROFIX CT-ALC Aqueous Aluminium Cleaner, Rust & Stain Remover

PRODUCT RANGE

Part Number	Available Size
CT-ALC-750ML	750ml Foaming Trigger Spray
CT-ALC-1L	1L Bottle
CT-ALC-5L	5L Bottle
CT-ALC-20L	20L Drum

Refer to SDS for product safety guidelines

CORROFIX CT-ALC

Aqueous Aluminium Cleaner, Rust & Stain Remover

Description:

Chemtools® CORROFIX ALC Aqueous Aluminium Cleaner, Rust & Stain Remover is an acid cleaning solution which chemically destroys corrosion and stains on Aluminium and other soft metals. CORROFIX ALC is formulated to remove stains, clean and brighten aluminium and other soft metals. It produces a chemically clean and corrosion-free aluminium surface.

Features & Benefits:

- Fast acting
- Brightens Aluminium
- Produces a metallurgical clean surface
- Removes light surface oxides and rust
- Non-Flammable
- Easy rinse off
- Streak free

Typical applications:

- Removing dull film from Aluminium
- Light de-rusting and removing corrosion from aluminium doors, boats etc
- General immersion and electro cleaner for most soft metals

Instructions:

Do not spray onto the surface to be cleaned, soak a wiping cloth and wipe in a circular action until clean and free of rust.

SAFETY:

This product contains a blend of acids and acid fluorides. The liquid is highly corrosive and toxic. Avoid contact with eyes, skin and clothing. Do not take internally. Avoid breathing any fumes, mists and vapours. Always work in areas with adequate ventilation, preferably outdoors to allow chemical fumes, and where applicable, solvent fumes to dissipate. The use of goggles, rubber gloves, is required. If the material gets into the eyes, flush thoroughly with clear water for fifteen minutes; then seek medical treatment. Avoid skin contact. Material may cause severe burns. Always wash exposed areas immediately, using warm water and soap, followed by rinsing with clean water. If using regularly, obtain a tube of calcium gluconate gel and keep at hand for emergency first aid. Observe all safety precautions.

STORAGE:

Store in a cool, dry place, in tightly closed original containers at a room temperature between 5°C and 40°C. Do not place in direct sunlight or near any heat source. Do not return any used material to its original container.

DISPOSAL:

All products should be disposed of in accordance with local regulations.

PRECAUTIONS:

This product is capable of producing adverse health effects ranging from minor skin irritation to serious systemic effects. None of these materials should be used, stored, or transported until the handling precautions and recommendations as stated in the Safety Data Sheets (SDS) for this and all other products being used are understood by all persons who will work with the material.

WARRANTY:

All products purchased from or supplied by Chemtools® are subject to terms and conditions set out in the contract. Chemtools® warrants only that its products meet the specifications designated as such herein, or in other publications. All other information supplied by Chemtools® is considered accurate, but is furnished upon the express condition. The customer shall make its own assessment to determine the product's suitability for a particular purpose. Chemtools® makes no other warranty, either expressed or implied, including those regarding such other information, the data upon which the same is based, or the results to be obtained from the use thereof; that any product shall be merchantable or fit for any particular purpose; or that the use of such other information or products will not infringe any patent.
