TECHNICAL DATA SHEET

FEBRUARY 2015

PRODUCT NAME

R44 Revive-It Deox

PRODUCT RANGE

Part Number	Available Size
CT-R44-300	300g Aerosol
CT-R44-400	400g Aerosol
CT-R44-1L	1 Litre
CT-R44-5L	5 Litres
CT-R44-20L	20 Litres

Refer to SDS for product safety guidelines

R44 Revive-It Deox

Chemtools® R44 Deox is a superior lubricant which is free of any harmful substances such as aliphatics, diesel, silicones and kerosene. The unique anti-corrosion formulation will lubricate, seal and protect against moisture. It is an excellent water displacing and penetration product, which offers superior performance, even when used on damp and wet components.

R44 Deox is flammable and should not be sprayed onto live electrical equipment or other sources of possible ignition. Allow fumes and vapours to disperse before starting up equipment. Product will not adversely affect paintwork and most plastics. Not recommended for use on natural rubbers, test before applying.

FEATURES AND BENEFITS:

- Lubricates
- Protects against rust and corrosion.
- Loosens rusted parts
- Stops squeaks
- Non-conductive

TYPICAL APPLICATIONS:

Rust-proofing
Boat trailers and other marine equipment
Firearms
White goods
Sporting Equipment
Removes moisture from electrics
Cleaning and protecting garden tools

Storage protection
Mining equipment
Lubricate and protect antennas
Drilling & Tapping fluid
Battery terminals and wiring
Timber preservation

PROPERTIES:

Flash Point	12°C
Boiling Point	>200°C
Appearance	Clear Pale Yellow Liquid
Odour	Low
Specific Gravity @ 20°C	0.82 – 0.85
Aerosol Propellant	Hydrocarbon

STORAGE:

Store in a cool, dry place, in tightly closed original containers, at a room temperature of between 5°C to 40°C. Do not place in direct sunlight or near any heat source. Do not return any used material to its original container.

PRECAUTIONS:

This product is capable of producing adverse health effects ranging from minor skin irritation to serious systemic effects. None of these materials should be used, stored, or transported until the handling precautions and recommendations as stated in the Safety Data Sheets (SDS) for this and all other products being used are understood by all persons who will work with the material.

WARRANTY:

All products purchased from or supplied by Chemtools® are subject to terms and conditions set out in the contract. Chemtools® warrants only that its products meet the specifications designated as such herein, or in other publications. All other information supplied by Chemtools® is considered accurate, but is furnished upon the express condition. The customer shall make its own assessment to determine the products suitability for a particular purpose. Chemtools® makes no other warranty, either expressed or implied, including those regarding such other information, the data upon which the same is based, or the results to be obtained from the use thereof; that any product shall be merchantable or fit for any particular purpose; or that the use of such other information or products will not infringe any patent.
